Mayo Clinic Store - Owatonna	(507) 444-5098	<a href="mailto:johnson.aaron@mayo.edu">johnson.aaron@mayo.edu</a>	Aaron Johnson	4oz flip top bottoms of Purell. \$2.95 each, current limit of 12 per person per day.	Earloop masks – these are a low barrier mask. \$72.50 for a box of 50.	Protective glasses (not goggles) – probably would retail in the \$18-20 range, not firmed up.	should be able to get some quantity of boxes of exam type gloves.		As of right now, there is no availability on N95 masks, gowns, face shields or goggles. As this will be a “new” process for all of us, we would ask that any business interested in PPE items give us a call, work with us to order items ahead of time, and prepare prior to picking up. By ordering in advance, we can let businesses know of current availability and give us time to get inventory from our various Mayo warehouses. Also, all items are of course limited quantities and we may have to stop offering at some point.
