

Greetings Steele County Businesses,

Steele County Public Health is committed to assisting our local businesses.

There are several strategies that businesses may take to protect their business and employees. There is much talk about businesses needing a plan in place for COVID-19 vaccination and testing for their employees. Please refer to the following links for guidance and resources.

CDC, MDH, MDOLI, MNOSHA COVID Guidelines for Business:

<https://www.cdc.gov/coronavirus/2019-ncov/community/workplaces-businesses/index.html> :
<https://www.health.state.mn.us/diseases/coronavirus/businesses.html>

COVID Testing:

Developing a Plan:

<https://www.cdc.gov/coronavirus/2019-ncov/community/workplaces-businesses/antigen-testing.html>

COVID Testing in Owatonna

Owatonna Mayo Clinic Health System: <https://www.mayoclinichealthsystem.org/covid19>

Testing Site: Owatonna Southview Building 134 Southview Street is open for appointments 7 days a week from 8 a.m. to 4:30 p.m.

Compcare Urgent Care and Occupational Health Clinic:

Owatonna Hy-Vee: 507-451-0179 <https://www.hy-vee.com/my-pharmacy>

Walgreens: www.walgreens.com or via the Walgreens app.

MDH Home Test Kits:

<https://www.health.state.mn.us/diseases/coronavirus/testsites/athome.html>

Use Approved Sites! Healthcare Providers are encouraging employers to refer local staff to approved COVID testing sites. Please use this MDH interactive map tool. [Find Testing Locations in Minnesota / COVID-19 Updates and Information - State of Minnesota \(mn.gov\)](#)

COVID Vaccination:

COVID Vaccination in Owatonna:

Steele County Public Health: https://www.co.steele.mn.us/public_health/covid-19_vaccine.php

Owatonna Mayo Clinic Health System: For appointments use Patient Online Services, or call 507-434-9929. 2200 26th Street NW is open Wednesdays, Thursdays & Fridays 8 a.m.- 4:30 p.m.

MDH Vaccine Finder: <https://mn.gov/covid19/vaccine/find-vaccine/index.jsp>

For questions please contact Steele County Public Health at 507-444-7650.

Thanks again for all you are doing to protect your employees during these very uncertain times. Stay healthy!

Steele County Public Health
