What is Y-Pro?

We enrich the lives of Owatonna young professionals in their 20's and 30's through professional development, networking, and community activities.

Networking Opportunities

Organizing events to give young professionals the opportunity to engage, exchange ideas and share common interests with other young professionals in the Owatonna community.

Growth and Development

Our lunch & learn events provide information related to professional/personal development. We often have prominent local business leaders and industry experts share on their experiences, tips/tricks and advice.

Engage in Community

We give young professionals the opportunity to engage in the Owatonna Community through attending community and volunteer events as a group.

Benefits to Employers

Once Young Professionals are exposed to all there is to do in the region and establish a network of friends and colleagues in the area, they are more likely to stay and enjoy the Owatonna Area.

Your sponsorship will help develop our programming and reach our goal of 100 members in 2021. Supporting Y-Pro will help your business recruit and retain young professionals.
