General Rules:

***No entry is allowed to have Santa and Mrs. Claus – they have already RSVP'd to be there.**

***No stopping during the parade to fill up candy or visit – Keep er moving**

***Keep any performances short & sweet – and then it is up to your group to catch up when you are finished**

***Stay with your group if walking – no crowding the units in front of you**

***There should only be about 2 vehicle lengths between units, again, keep er moving**

***All entrants and participants are expected to follow appropriate public conduct (No alcohol in the parade or line up areas)**

***Children walking in the parade must be accompanied by an adult**

***All units must have Christmas lights/decorations to be accepted as an entry**

***Entry fee must be paid before December 1st to be considered a participant in the parade**

***Entries need to be under 18 feet tall as to not interfere with the lights suspended in the middle of the 3 blocks of Cedar Avenue**

The parade committee has made some of these changes to improve the parade from last year. It is our goal to have the parade last no more than an hour, so people can stay to see the end.

**Each entry will receive more detailed information about a week before the parade.
See ya downtown!**
